November 1896 our Resident Surgeon, the then Assistant of the Chinna-mayapatnam Taluk visited

the temple and having found the building in a disorganised state, dispossessed the Pujaris of the Temple lands which had been in his enjoyment, and made the following arrangements which are now in force :—

(i) The 2 Survey nos viz 138 and 139 assessed at Rs 52 (which were Kandayam lands) were left in the possession of the Pujaris on condition of his devoting out of their income Rs 30 per annum for Poditurai &c in the temple and keeping Rs 70-4-0 annually for the repairs of the Institution. A muchulika was taken from him to that effect B

(ii) The remaining 6 members

were leased out by public auction as noted below :—

The highest bidder for the first three numbers was one Patil Ramjimdesgonda and for the last three Rajari Narasimhappa—

2. This arrangement was reported to the Dy Commissioner, stating that it would bring an annual income of Rs 128-12-" as noted in the margin; and that excluding Rs 12-3-9 payable to Govt on these lands there would remain a sum of Rs 116-8-3 as a saving annually which might be utilized for the

repairs of the Institution. Mr B. G. Krishnaiyar, the then Dy Commissioner, approved of the arrangements made by the Amildar, but the matter did not come to the notice of Govt till now. The agreement on a stamped paper was accordingly taken from the Pujari on the 5th March 1897, binding him to pay for a period of 5 years Rs 116-12-0 annually as a lease on the 5 lands as detailed above, of which Rs 30 were to be utilized by him for Paditeruva &c, the balance viz Rs 86-12-0, being paid in cash into the Treasury. By this arrangement a sum of Rs 116-8-3 is being saved every year since 1896-97 and it is reported that there is an accumulated saving of Rs 566-1-5 at the credit of the Institution. The Pujari is stated to have not paid the amount recently, which was due by him as agreed upon. The Amildar is in favour of continuing

but the Dy Comr does not say
anything on this point. He has
simply stated the facts
4. In February 1904 the Rajasi
presented a petition to this Office
representing his grievances and
praying for the restoration of all
the lands, pointing out that he
had entered into an agreement
for a period of only 3 years but that
already more than 5 years had elapsed.
He further stated that the accumu-
lated savings now available might be utilized
for the repairs of the Institutions,
and that he would be ready in future
to execute at his own cost any repairs
required to the building. This
petition was forwarded to the Dy
Comr for report and submission
of the records.

no takers of others, the produce
of the Inam lands for this year
might be given to the possession
of the petitioner viz. applicant

finally disposed of by Government.

6. It is in reply to these two
petitions referred to in paras 5 & 6
that the Dy Comrs has submitted
the present Communication.

The conditions laid down in the Award regarding the Pujaris to pay an annual sum of Rs 86-12-0 is contained in the arrangement of persons between whom the temples, at present, are divided. There seems no negligence on the part of the Pujaris. They have sufficient funds.

Consisting of 8 Survey numbers in All which were enjoyed by the Pujari who performed only the puja without utilizing any por= =tion of the income for the repairs of the Temple.

2. The Temple therefore fell into disrepair and there were no funds to meet the expenditure thereof. In 1896 the Amildar with the consent of the devotees and the pujari (who on 26th November 1896 gave a Statement before the Amildar to that effect) proposed that two of the Survey numbers assessed at Rs 52/- should be enjoyed by pujari Nara= =simhaiya on condition that he should perform puja &c regularly in the Temple and that he should annually pay Rs 70-4-. to the Temple towards the expenses of Repairs &c and that the remaining 6 Survey numbers should be leased out for Rs 58/8/- (Seven Kandies of paddy valued

Valued at Rs 6/- each and Rs 16/8/- in Cash) and that by such arrange= =ment there would thus be yearly savings of Rs 116-8-3 in the Temple funds as per details in the margin.*

This proposal was approved on 27th 1896 by Mr. B.G. Krishna Iyengar, then Deputy Commissioner. Accordingly the pujari Narasimhaiya executed a lease under

Rs. 70-4-.	Rs 70-4-. to be paid by pujari Narasimhaiya for enjoying 2 Survey nos assessed at Rs 52/- On condition of puja being performed by him.
Rs 42-.	Price of 7 kans. at Rs 6 each being "Gutta" produce of three other Survey nos (dry)

Rs 116-8-3	Net income to the Temple.

Date of 5th March 1898 for 5 years, on a Mysore Government Stamp paper to the value of Rs 21-. agreeing to the proposal above set forth.

3. The Amildar reports that there is a saving of Rs 566-1-5 at the credit of the Temple and that the existing arrangement may be allowed to continue to provide for

needful funds for repairs &c and the pujari required to pay up the amount which he has recently failed to pay.

4. The Amildar has been ordered to hand over the produce of the Inam lands for this year to the possession of the pujaris after taking sufficient security till the final disposal of the question by Government if there are no takaras of others as requested in para 2 of your Subsequent Docket No. 3615 dated $\frac{21st}{23}$ May 1904
